MEMBERSHIP INFORMATION PACKAGE 2027

Dear Prospective Member,

The Board of Directors, Management and Staff of the Cranbrook Golf Club thank you for your interest in our Club. Cranbrook is a member club open to the public. Our membership limit is set at 850 active members, and we currently have space available for new members. Following is information relative to membership with the intent of giving you a full picture. If you have any questions, please give us a call.

We look forward to welcoming you to our Club!

Club Facilities

The Golf Course

Established in 1951, the Cranbrook golf course is a mature, 18-hole layout that offers an exceptional golfing experience.

Blessed with the most hours of sunshine in all of BC, Cranbrook enjoys an early start (Beginning of April / End of March) and outstanding weather throughout the season. In prime season (July and August) we have, almost without fail, long, sunny days with little wind - ideal weather for golfing.

Cranbrook always offers outstanding course conditions. Our favourable climate and ample water supply along with first rate maintenance make for top playing conditions from start to finish of the season. Our greens are our special pride; they are speedy, true, soft and a joy to play.

If you don't like waiting to play, you'll love Cranbrook. We have a very efficient layout where a four hour round is the norm. We're also an easy walk. If you prefer to ride, you'll be able to drive up to your ball.

As testimony to our merit, we point to the number of major amateur championships held at Cranbrook. Six in total including the 2004 RCGA National Match Play Championship. ***A championship course in its true sense.***

Our course is a mature parkland layout that plays from 5200 to 6800 yards offering challenge and enjoyment to golfers at all levels. We can be easy, we can be tough, the choice is yours, but we are always a pleasant experience. Each hole, beautifully framed in tall evergreens, affords a quiet dignity that feels quite special and invites you to play.

The Clubhouse

Cranbrook Golf Club features the Clubhouse Casual, a fully licensed restaurant open to members as well as the public. We are open for the duration of the golf season with a full menu selection available daily along with great daily "feature" specials. At the Clubhouse Casual we offer a full-service restaurant or the convenience of takeout or why not try one of our grab and go sandwiches or our ever-popular Hot Dogs after nine.

Complementing our restaurant is our fantastic patio with the best view in town, so be sure to join us for a tall cold one after your round or just drop in after work to enjoy the relaxing atmosphere that is sure to greet you when you arrive.

Here at Cranbrook Golf Club, we also offer full catering facilities year-round. From an intimate gathering of 30, the wedding of your dreams with 150 guests, or a corporate golf tournament for 180 our clubhouse can accommodate you. Feel free to contact the clubhouse directly for a copy of our Banquet Package or inquire about our custom menu options to fit any style and budget.

The member locker rooms are located downstairs and have facilities for changing into your golf attire, storing your personal belongings, restroom and showers. A junior locker room is also available with an area for socializing. Members enjoy full charging privileges on the course as well as in the Clubhouse so you can leave your wallet at home and receive an itemize statement each month.

The Golf Shop

The Golf Shop offers driving range passes, club storage, pull cart, power cart and golf club rentals and repairs. PGA of Canada lessons and a full line of both golf equipment and clothing are also offered. Head Professional, Paul Whittingham and his PGA of Canada Assistants are there to serve all your golfing needs. The Golf Shop offers discounts to members for soft goods and hard goods and features equipment draws, golf pools and games throughout the season.

Member Golf Events

The Club holds a number of golf events for members throughout the season. The pivotal event is the Club Championship held in August each year when the course is in prime condition and everyone's game is in well-practiced form (hopefully). We also have Men's and Ladies' Opening and Closing tournaments as well as other member-based events throughout the season. There are reserved blocks of time each week throughout the season for Men's Night and a Ladies' Day/Night.

Availability of Play

The Club looks to maintain a sensible balance between tournament play and open play so that different interests are reasonably accommodated. Our club economics also require adequate opportunity for green fee play. In the end, the member gets access to the majority of the tee sheet and the club tries to supplement the remaining tee times with outside play.

Member Benefits

Being a member of the Cranbrook Golf Club has a number of benefits. Whether you want to play a few holes after work or a full 18, the club is conveniently located and the layout of holes allows you to quit near the clubhouse at several points. The Golf Shop is very flexible and will do what they can to accommodate your schedule. You can even keep track of your rounds and handicap on the club's licensed Handicap computer. If you enjoy playing other courses as well, members receive discounted green fee rates at a number of courses in the surrounding area (see below). If you bring guests to the Club, they will receive a guest-of-member discount. The Club is constantly looking for ways to add value to your membership. The biggest value to membership however, is the people you will meet and the friendships you will gain.

- Please phone in advance for tee time bookings, and mention that you are members of the Cranbrook Golf Club. Have your ***GOLF CANADA membership card*** ready for presentation when checking in for your tee time.

- Please note each individual club will have different reciprocal arrangements with the Cranbrook Golf Club so if there are any questions, please have one of our Golf Professionals phone in advance.

Why Join a Golf Club?

If you are in the habit of playing various golf courses, you may wonder why on earth anyone would want to join a golf club where you play the same course all the time. Here are some reasons why a Club membership is very popular.

1. Memberships can allow you to play as often as you want for a fixed cost.
2. If you want to improve your game, and you are willing to put in the effort, there are six basic steps to take to reach that goal:
    a. Play often enough. To maintain form, you really need to play at least twice a week.
    b. Play competitively.
    c. Measure your performance; know definitively where your game actually stands.
    d. Identify your shortcomings.
    e. Get quality instruction where needed and don't be afraid to change.
    f. Practice.

    Joining a Club opens all these doors to you. Simply by playing more often and more regularly you'll become more consistent and elevate your skill level. Clubs offer a good competitive environment. Competition represents challenge and challenge inspires improvement. Clubs also have handicap systems available and maintaining a current handicap tells you exactly where your game is at and whether you're improving. Instruction and practice facilities are handy and of good quality. If you have the will, you'll have stimulation and assistance to progress.
3. A membership gives you access to the Golf Canada system that provides the means to establish an official handicap which allows you to participate in competitions, formal or friendly, at home or away, on a fair and equitable basis.
4. A membership should be anything but boring. Play in a group usually involves a monetary arrangement, and with everyone having a current handicap, you have a level playing field for competition. The competition then becomes the focus of attention and the occasion for a lot of fun.
5. Clubs have member events that provide competition for players at all levels. They're fun, test your ability, offer prizes and lead you to make new acquaintances.
6. A golf Club is a means to meet other people. There are Club events, including events that cater to new members, and a Golf Shop that will help get you out golfing with others. A golf Club is often the basis for new and enduring friendships.

Why the Cranbrook Golf Club?

1. Cranbrook has all the features you would look for in a member golf Club.
2. Memberships are available for all age categories that allow you to play an unlimited number of times per season. Membership fees are quite reasonable with services optional and separately priced.
3. Cranbrook is a fine golf course, a championship layout without any strange holes. It has a great course ambiance with a pleasing 'private' feel that invites you to play. The favourable climate, an ample water supply along with first-rate maintenance make for top playing conditions throughout the season - that season being the longest in the Cranbrook-Kimberley area. The greens are generally considered to be the best in the valley - speedy, true and receptive. A pleasure to play.
4. If you prefer to ride a cart, you may drive right to your ball. If your preference is walking, you'll love Cranbrook. It is a very efficient layout with moderate elevation change. A nice walk.
5. While the course itself has a private quality, the Club, on the other hand, is down-to-earth and friendly with members who love to golf. The Golf Shop is as good as it gets and makes every effort to take special care of members.
6. Members like to keep it moving and a round generally takes about four hours to play.
7. If you live in the Cranbrook area you are in close proximity, not far to drive.

Course Rules

General Rules

- All players must register/check in at the Pro Shop prior to play. Failure to check in and register 5 minutes prior to a reserved starting time may result in cancellation or set back.
- Metal spiked shoes are not allowed.
- Footwear that is damaging to the greens (soccer or football shoes, boots/shoes with deep treads etc) is not allowed.
- Each player must have their own set of golf clubs.
- Players use the golf course and driving range at their own risk and are subject to the rules and regulations of the Cranbrook Golf Club.

Dress Code

The Cranbrook Golf Club has implemented a Dress Code to establish a reasonable standard for attire that applies to all patrons and is in keeping with the traditions of our game.

1. Slacks, corduroys or denim jeans are acceptable. Shorts must be hemmed, have pockets and be mid-thigh or longer. Ladies' culottes, skorts and skirts fall under this same regulation. Sweat pants, tattered or torn leg wear and cut-offs are not allowed.

2. Shirts with collars are preferred but not mandatory. Tank tops or halter tops with less than three-inch straps are not acceptable.

3. Short sleeve sports jerseys are not allowed.

The dress code applies to both the golf course and the driving range. The Clubhouse allows golf attire, business attire and acceptable "summer" dress.

The Dress Code will be enforced by Golf Shop and Clubhouse staff.

Note to members: Please ensure that your guests are aware of and abide by dress requirements.

Play of Course

- Do not wave up following players on ***par 3 holes***.
- Players are asked to not ***fish for balls*** in the pond on #17. Players should, of course, retrieve their own balls during play and assist others in their group, but for the benefit of all golfers, the Club would like to limit the retrieval of balls to those circumstances.

Etiquette

- All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times. This is the spirit of the game of golf.
- Players must not play until the players in front are out of range.

Pace of Play

The purpose of a pace of play policy is to ensure that all members and guests can enjoy a round of golf in an acceptable time.

- ***Your unimpeded playing time for 18 holes should be 4 hours.***
- ***When there's a group ahead, it is your group's responsibility to either finish play in 4 hours or keep up to the group in front if the pace is slower.***
- ***If your group does not keep up with this pace of play, your group should either speed up its pace, or allow following groups to play through safely.***
- We encourage ***ready golf*****:** get ready to play; play when ready and safe.
- Do not waste time. Players should anticipate the club or clubs they may need and go directly to their ball to play promptly when it is their turn. If a player is delayed in making their shot, they should indicate to another player to play out of turn.
- The time taken on greens is often a chief cause of slow play. Players should be ready to putt when it is their turn and should study and clear their line of their putt while others are doing the same.
- Your maximum number of strokes per hole should be four over par. At that point, pick up your ball. (Tournaments are an exception.)
- No group has the ***right to play through***. Groups should maintain their position on the golf course without pressuring those in front. Smaller groups should not expect to play through.

Care of Course

- **Repair ball marks** on greens.
- The preferred method of repairing **divots** on our fairways is to fill divot holes with divot fill mix, and discard divots into the trees. Divot fill is available at various points on the course. Failing this, replace divots to their original position and press them to the ground as flat as possible.
- **Rake bunkers** and place **rakes <u>in bunkers</u> close and parallel to edge, aligned in the direction of play.**

Use of Riding Carts

- Obey all cart signs.
- Keep riding carts off of the tee areas.
- Riding carts are not allowed within the lines or markers prohibiting the entry of carts, or in the absence of such, within 30 feet of the putting greens.
- Riding carts must be parked on the cart paths while using greens and tees.
- Between tee and green, stay on the cart paths and utilize the 90 degree rule to leave and return. After cart paths end, it's intended that you drive to your ball. Avoid driving on ground under repair and worn areas.
- Any breach of these rules could lead to the suspension of the riding cart privileges or suspension from membership at the course.
