DONATE NOW!

GOLDEN'S GATSBY GALA WELCOME

On behalf of the board and staff at the East Kootenay Foundation for Health, I would like to say a huge thank you for taking the time to attend the 2024 Golden Gatsby Gala. It is so great to see the tremendous support from the Golden Community. A sold out event! Thank you!

We are all aware of the shortage of funds for Health Care in BC. Long term care homes are often put on the back burner. This is not because the needs they have aren't urgent, it just means other equipment throughout the health region is prioritized over them. Durand Manor is no exception. If you have ever had to have a family member or friend reside at Durand Manor you will know how wonderful the staff are, and you will know that your loved ones are being treated as family, and they are safe and well cared for.

Durand Manor needs our help. We are raising \$100,000 to update the furniture in Durand. We will be putting in safe, hospital grade, senior friendly furniture in every single bedroom as well as replacing the dining room and lounge furniture. This is truly going to benefit all residents and the entire team at Durand Manor.

Enjoy your evening and be sure to spread the word about this very important cause. Durand Manor is a very important home for many long-term residents of Golden.

Thank you!

Brenna Hong

Executive Director, East Kootenay Foundation for Health
