Pregnancy Outreach Program

JUNE 2025

MONTHLY NEWSLETTER

Dear Pregnancy Outreach Program participants,
Thank you to those of you who have participated in Building Beautiful Babies throughout 2024-2025. I have had a meaningful first year as Coordinator, and working alongside our BBB families is what makes my job so special! Thank you for the wisdom, stories, vulnerability, and connections you have brought to group and 1:1 work with me. I appreciate each and every one of you.

This month, we have two special guests at group: Meghan, our Public Health Nurse from IH, and Erin, a Dietician from Kootenay Boundary Primary Care. We will also be attending two community events: the Teddy Bear Picnic in Trail, and the Beaver Valley Adventure Picnic at Haines Park in Fruitvale. Please see the poster below for details on dates, times, and locations for group this month.

Our final group (and wrap-up celebration) for the year will take place on June 26th at the Family Center. On this day, I will be handing out graduation bags for folks who are aging out of our program this summer (babies turning 1 year old), baby baskets for folks expecting babies in the summer, and 'farewell for summer' bags for everyone else. If families could please let me know if they intend on coming to our final session on June 26th, this will help me prepare and make sure everyone goes home with something! If we don't see you in June, we look forward to seeing you again when our program reopens in September 2025. Please let me know if you have questions, and take good care.
